

Dear hiring manager,

My name is Alif Dewantara, and I am writing to express my interest in the Junior Software Engineer position at PT Nusantara Duta Solusindo (NDS). With a year of experience in web development and data analysis, I am excited about the opportunity to contribute my skills and passion for technology to your dynamic IT team.

During my academic journey in Padjadjaran University, and several internships experience, I acquired a solid foundation in Software Engineering and honed my analytical skills. My experience in previous companies has further developed my expertise in full stack web development and also in data analytics.

I am drawn to the prospect of joining PT. Nusantara Duta Solusindo due to its commitment to nurturing talent and providing a supportive environment for professional growth. This aligns perfectly with my aspirations to involve deeper into cutting-edge technologies and contribute to impactful projects.

Moreover, the prospect of engaging in the NDS training program, offered by experienced professionals, is an exciting opportunity to enhance my skills and delve deeper into the Finance/Banking and Telco industry.

Thank you for considering my application. I am looking forward to the possibility of discussing how my skills align with the goals of PT. Nusantara Duta Solusindo.

Warm regards,  
Alif Dewantara
